

## **MONTVILLE MOHEGAN-PEQUOT LIONS CLUB**

October 14, 2013

District Governor Steve Novic  
and members of the District 23C Cabinet

The Montville Mohegan-Pequot Lions Club has voted unanimously to support our member, Second Vice District Governor Nancy E. Tucker, as a candidate for the high office of First Vice District Governor of District 23-C for the Lions Year 2014-2015.

Lion Nancy joined our club in 1999 and has served on many committees and offices, performing admirably in all of them. She served as President in 2005-2007 and was asked to serve on the District 23-C Cabinet in 2006.

She has served as Cabinet Low Vision Liaison, Zone Chairperson, Region Chairperson, Cabinet Secretary/Treasurer twice, and currently is serving as our District's Second Vice District Governor. Lion Nancy has been on the board of directors of the Low Vision Center of Eastern Connecticut since her election in 2011. Lion Nancy is a graduate of the LCI Advanced Lions Leadership Institute and the MD23 Train the Trainer program and has taught at both the district and multiple district level.

Because of her efforts on behalf of Lionism, the Montville Mohegan-Pequot Lions Club has honored her with a Melvin Jones Fellow and an Ambassador of Sight Award. She has also received two International President's Certificates of Appreciation and has received the Lions Club International Membership and Membership Advancement Keys.

We believe that Lion Nancy Tucker is uniquely qualified to serve the District as its First Vice District Governor.

Respectfully submitted,

Lion Beverly Lajoie, President  
Montville Mohegan-Pequot Lions Club
