

CAMP RISING SUN CABINET REPORT

OCTOBER 14, 2013

Plans for the second annual Gala to be held on November 2nd are being implemented. The hall is booked the band " the Locomotives " is booked and hopefully all of us here have sent in their reservations. We are still accepting donations from clubs and individuals of baskets and silent auction items. If anyone has something with them tonight I will gladly take it off your hands.

You all should have gotten the flyer with the information as to time place and cost but in case you didn't I have put a copy on every table along with a registration form, a sponsor form and a basket raffle/silent auction donation form.

Since the American Cancer Society has pulled their sponsorship we have vowed to help pick up the shortfall in funding for this life changing project. We hope you join us on the 2nd for a good and rewarding time.

Respectfully submitted,

Bill
