

23C Global Leadership Team Report

To the District Cabinet

East Haddam, Connecticut

April 21, 2014

District Governor Steve and fellow Lions,

I am pleased to report that we will be holding a morning of quality seminars which will provide training for all incoming club presidents, secretaries, treasurers and tale twisters as well as three additional topics which should be of interest to all of our Lions within the district. We will be holding these seminars at Bacon Academy in Colchester on Saturday, May 31, 2014.

The following is a list of the seminars and the Lion leaders who will act as the presenters for each.

Club President – RC Larry Updyke and current club president Rick Gieler

Club Secretary – Club Secretaries Maryjane Malavasi and Charlotte Turner

Club Treasurer – PDG and current club Treasurer Eric Jacobson and PCC Ken Tucker

Tail Twister – Current Club Tail Twister Donna Swan and Lion Dena Liedke

Fund Raising Projects – PDG Julie Shilosky and 2<sup>nd</sup> VDG Nancy Tucker

Quality Club – PDG and current MD23 Global Membership Team Coordinator Keith Lemire

Pediavision – RC John Bradshaw and RC Hilary Kumnick

Registration forms will be available online at the district web site and will also be sent to each club president and secretary. There is a \$6.00 fee per registrant (usually paid for by the club) and we will offer one free for every paid five (5) attendees from each club.

Attendee sign-in will begin at 8:00 A.M. and run to 8:30 and I promise to have everyone on their way home by noon..

Good Clubs are made better by their membership's commitment to improving leadership skills and making club meetings informative and fun. I know all of our clubs want to be the best and sending members to these seminars will certainly assist them in reaching that goal. I am hoping to see many of our clubs take advantage of this opportunity.

Respectfully submitted,

Diane D Bielski, GLT Coordinator for District 23C
