

LLVC REPORT NOTES:

April 21, 2014

- In my Role as Liaison between the LLVC Board, this Cabinet and our Clubs there is a Reporting Responsibility to all involved parties. Attached is my List of Events I've been invited to, attended or had Board members attend in my stead. As you can see it has been a very busy eight months so far.
- On that Note... Thank You 2nd VDG Nancy for the motivation.... Setting the Bar High. At first I was cursing her because she took every opportunity to remind me about the many dozens of invitations she accepted for LLVC a few years ago. I have really come to respect the effort she gave to this role and I am hopeful I did as well as she. Hopefully I gained her, and your, respect for my commitment.
- The LLVC Diamond Auction Fundraiser came off without a hitch on April 5th in Colchester. PDG Julie and her Event Organizing Committee did a fantastic job with the event and I'm sure she will have some terrific numbers to Report to the LLVC Board at the April 28th Meeting. Please stand up Julie and Committee Members... Let's all give Julie and her crew a hand!!!!
- Thank you to all the Clubs for the many Invitations to Present, Exhibit and/or Attend various Nights of Giving. Thank you to all the Clubs that hosted me, as well as hosting LLVC President Melissa Kowal or Board Member Mary Roberts each having filled in for me when I had a conflict.
- Thank these (7) ZCs for requesting I Present/Exhibit at their Clubs' Zone Meetings (Although I'm disappointed more did not make the effort):
 - Laura Rowe
 - Greg King
 - Tim Foreman
 - Linda Bradshaw
 - Larry Updyke
 - Sue Jensen
 - Ric Tetreault
- Finally, I attended all but one of the monthly LLVC meetings so far and I expect to make the final (3); which includes the Annual Meeting on May 30, 2014. Hoping to see all of you there representing your clubs!
