

April 21, 2014

On March 13th I inducted 11 new members into the E.O. Smith Leo Club. They are a very active club and the night I was there they were awarded a Trophy from WAIM in Willimantic for the most money raised at a walk.

As chairperson of the Leo Program at the Mid-Winter Conference, I am very proud to report that we had the largest number of Leos and Advisors ever up to date – 233. Seventy Leos from Columbia, East Haddam, Haddam-Killingworth, Lebanon, Montville, Putnam, RHAM (Hebron) and Shoreline attended from our District. I would like to thank the District for providing the bus for our Leos to go. Leos from Lebanon, Montville and East Haddam used the bus. The Leo of the Year was Katharine Lange from the Lebanon Leo Club. First Vice President Joseph Preston was very pleased with the signs that the Leos made to welcome him. The Leos also had a visit from Lt. Gov. Nancy Wyman during their program. Personal hygiene items were collected for migrant workers that come to Connecticut in the summer.

We had Leos attend the Governor's Awards Dinner and some will be participating in Journey for Sight.

Respectfully submitted,

Lion Diana Grisé
Leo Liaison
