

Third Lions Tale Report:

To: Governor Steve Novic

From: Shirley Annunziata, Chairman Lions Tail

April 2014 Report:

The last 3 issues January – March of the Lions Tale again have not carried the expenses. The usual 3 ads for Forbearance, Greg King and myself with World Travel Concepts ran each month and for January we had both Old Lyme and Old Saybrook. February was too late to run the AAA, Putnam Volley Ball ad and North Stonington ad so their checks were returned.

The April issue will have Forbearance ¼ page, World Travel Concepts, Middletown and Norwich with business cards.

I did send a letter to each president plus calling them for reminders for the April and May issues which would feature Easter and Mothers Day events.

May will have Greg King, World Travel Concepts, Niantic for their July 5 and 6 Lobster and Chicken BBQ for the Annual Arts and Craft Show will be in June.

I will be making calls this week as another reminder for May and June.

I wish I had a more encouraging report. Many of the clubs have used the District Doings.

It has been wonderful being in the Cabinet this year and want to congratulate you Steve for a year of dedication and hard work.

Respectfully Submitted,

Lion Shirley Annunziata

Chairman, Lions Tale
