

Cabinet Meeting – April 21, 2014

The clubs of Zone 10 are busy having fund raisers and doing community service projects. They are holding spaghetti dinners, pancake breakfasts, Joint Meetings, flower sales, and health fairs.

I held a Zone Meeting on March 25 and had PCC Diane Bielski as a guest speaker. All five clubs were represented and asked questions of our guest after she spoke to us. She shared a lot of information and I recommend that all Zone Chairs have a Leadership Chair come and speak to their clubs. The clubs in my Zone seemed to really enjoy her talk and asked many questions. They shared all the activities they were each doing now and in months to come. I discussed the District Events.

Respectfully Submitted,

ZC Susan Jensen
