

Zone Chairman Report for 04-21-14

All clubs are meeting regularly and doing their usual fund raising activities.

While the Zone membership total shows a net 9 loss to date, two clubs have added members which should be reflected in the April 2014 reports reducing the net loss to 7 members.

Three out of five clubs have posted their 2014-14 officers at LCI and the two remaining ones have been contacted and encouraged to get them reported prior to 05-01-14 or sooner.

Three Zone meetings have been held during this year and all clubs have attended with spirited discussion and sharing of programs and goals.

The Zone held a Social with the Montville Mohegan Pequot Lions hosting on St Patrick's day with an evening of fun and fellowship.

Respectfully submitted

Ulric F. "Ric" Tetrault
Zone Chairman
