

Club Health Report for Region Three, Zone Two (ZC Laura Rowe)

Zone Two consists of four clubs: Ledyard, Lyme-Old Lyme, Niantic, and Old Saybrook.

- One of these clubs (Lyme-Old Lyme) has been slow in submitting membership reports but we are working on that issue.
- The Niantic club has a net gain of four and the other clubs combined have a net loss of seven (including three deaths), leaving this zone with a net loss of three.
- All clubs are active with both fundraising and volunteer and community service.
- All clubs are utilizing District Doings and keeping member emails current.
- Two of the four clubs have already done PediaVision screenings, and the other two are very close to requesting training.
- These four clubs are doing well and in reasonable health.
- Our fourth and final zone meeting is scheduled for May 19th.

Respectively Submitted,

Zone Chair Laura Rowe
