Journey For Sight Walk-A-Thon

Dear District Governor and Committee Chairs:

Our 22<sup>nd</sup> annual Journey For Sight Walk-A-Thon will be April 26, 2014 at Fort Shantok Park, Montville, CT.

We are asking you as governor to encourage participation from the Lions Clubs of District 23C. This is a wonderful way for clubs to raise funds for both District projects and their own charitable interests.

District Chairs are invited to come and provide information about your projects and needs..

Please bring a table and any printed information you would like to disseminate. Your presence will hopefully increase participating Lions clubs to consider funding your project with the district's portion of money raised.

Looking forward to your participation.

Yours in Lionism,  
Sincerely,

Bill Grabek & Sue Fisher  
Co-Chairs of the Journey for Sight Committee
